

Mr. Rithvik Sanjeevi

Rithvik had long been in the shadow of decorated players in his age category Siddanth and Sankar. Recently though he bagged his maiden Silver medal at National Ranking in Goa and Maiden State Singles Ranking in Sivakasi beating both Shankar and Siddanth in the process.

He is obviously one of the best future prospects for TN at National level and it remains to be seen if he can make it big in the coming years.

He was always one of the quickest players in the circuit with superb shuttle retrieving capabilities, but his improvement in smashing in recent times had given him that added advantage against top players which until recently was not a part in his armour.
