Introduction

He is the most established Singles players of all Tamil Nadu players, past and present at the sub junior level. Saving his reputation, he finished with back to back titles in National Ranking Tournaments held at Delhi and Kurnool despite nobody from TN winning a National Ranking ever before. By virtue of these two titles he ended the year as India No1 player which is also an unprecedented feat in the state.

Playing Style

He has a simple game that revolves around precise footwork, proper shot selection and speed. He seems to be instantly ready for long rallies giving him an edge over his opponents many a time.
